

Minutes of Brooksville Friends and Neighbors (BFN) September 2012 Meeting

Acting Moderator, Ms Lola Bogyo, called the meeting to order at 1842 on 5 September 2012.

Sally Blodgett provided a Finance Report. Appreciative comments were extended regarding the success of the Fund Raiser for the Fifth Anniversary of the Breeze.

An invitation has been extended to attend an At Home Downeast reception in Castine. Jean Webster will contact Deb Turner for details regarding time, location, etc.

Deb Turner has resigned the position of At Home Downeast Director to accept another job position. She has agreed to help part time to train a new Director. A discussion followed concerning what the BFN group can do to help this project. A vague summary was concluded that time would tell and interested participants should stay tuned.

More discussion followed regarding what BFN can do to contribute to the community. Do we want to be a fund raising group? Sponsor a community project such as an off road , smooth surface trail suitable for wheel chairs, tricycles, including benches, boardwalk and such? How can we get more involvement in the BFN?

A query was raised wondering if the Selectmen might have a "Dream List" to do in or for the community?

Lola will follow up on the possibility of calling e-mail addressees to invite them to meetings with Joan upon the latter's return.

The assembly dispersed at 1955.

The following individuals signed the attendance roster:

Lola Bogyo

Sally Blodgett

Jean Webster

Edson B. Blodgett

Respectfully Summarized,

Edson B. Blodgett
