

EVENTS, ANNOUNCEMENTS, OPPORTUNITIES

Tue. Jun. 9th, 3 p.m. The Administrative Council (Be Ye Doers) meet (for this month) at Reversing Falls. The United Methodist Women have disbanded and invited the whole membership to join them in addressing organizational and structural needs at the church and with the buildings. The Council receives reports, makes decisions, and authorizes actions. Greeters and flower arrangers have been signed up monthly. Graduating Seniors have been recognized. Forty-eight new padded folding chairs have been purchased for Reversing Falls, a series of fundraisers have been planned, and much more.

Though the church has purchased the folding chairs (\$25 each), contributions toward that expense are welcome and invited. These chairs will make the space at Reversing Falls even more flexible, those who come more comfortable, and setting up for events much easier. Checks (notation "chairs") **can be sent to the Brooksville United Methodist Church, PO Box 34, Brooksville, 04617.** The old linked chairs have been donated to the Valley of the Stars for Open Mic.
