Agenda:**Business:**

1. 2017 Paving

70% on Weir Cove

10% on Dog Island

10% on Undercliff

10% on Lawrence Hill

2. Air and Water Quality

Out of Ellsworth

Bid voted OK 3-0

3. Consolidated Communication

Mike McMillen- communications with Consolidated Communications on the Cape are poor. Mike thinks that the PUC could do something about it and thinks it would be good to have a committee that would look into the problem. He will get some names for a committee, he thinks that if phone service improves and it doesn't work out any better from that point, then we should call our lawyer and initiate action against Consolidated

4. Matt Dow

1. Concerned about elderly – is there a way to check on if they are doing ok – possibly check at meals

2. Marina – concerned about fuel at dock running onto docks.

Access if a problem arose.

Narrow road and no turn around

5. Tom Pascal

1. South Wharf Road signage and doesn't want agreement made on road until it goes before town vote
