Business:

1. Harbor Master

Tom says that moorings could be done online, cost would be \$5 per applicant & they will have to pay for it up front. It would eliminate a lot of paper work.

Tome says that somebody from park services is coming up to look at is, he thinks it would be a good idea to have a smaller boat or maybe 2 boats to service Brooksville & moorings used by Castine residents in Brooksville waters

2. No Smoking Policy

Woman in to talk about the no smoking policy at town properties, she says that she is here to explain that she didn't mean to include all town own property. She wants to know what town would be interested in having areas & what kind of smokers; pot, tobacco, electronic smoke, etc. She was going to meet with Sedgwick tomorrow & find out what they want and needs are for smoking.

John says that the towns are talking about moving smoking areas up to the end of landing and put up signs.

3. Assessor

Ellery says properties are staying pretty much the same as it has been, less than 10% out of whack
