

APPENDIX V

RULES FOR TOWN LANDING AT BAGADUCE FALLS

- ❖ Parking of unattended vehicles and/or trailers is allowed only in the designated area west of the launch ramp and only during daylight hours.
- ❖ No overnight parking is allowed at any time without written permission of the Harbormaster.
- ❖ Vehicles may park in front of and along the side of the launch area only while loading and unloading. Any vehicle left unattended in this area may be towed at its owner's expense.
- ❖ No watercraft, crates or other goods may be left unattended in the water at the launch ramp area without permission of the Harbormaster.
- ❖ No gear or other goods may be stored on the grounds of the Landing.
- ❖ All watercraft tied to the shore must (1) be tied 20' away from the launch ramp area, (2) have paid the applicable dinghy tie-up registration fee, and (3) display a Town decal.

- ❖ Please do not motor through the eelgrass, disturb the horseshoe crabs or remove any vegetation.
- ❖ All visitors must take out what they bring in, and pet owners must clean up after their pet.

THANK YOU FOR TAKING GOOD CARE OF THIS LANDING.
